

## CALL FOR NOMINATIONS - ELECTED BOARD MEMBERS

**Triathlon Western Australia is seeking nominations from interested and suitably qualified individuals to fill the following Board Positions:**

- Three (3) Elected Board Positions commencing in October 2024 (following the TWA AGM)

Triathlon Western Australia (**TWA**) is the State Sporting Organisation responsible for the development, promotion and governance of the sport of triathlon throughout Western Australia. TWA is a not-for-profit organisation which is governed by the Board of TWA. TWA is one of eight (8) State Associations, which make up the membership of the national body, AusTriathlon.

TWA's vision is to inspire Western Australians to embrace triathlon as a lifestyle, recreation or sporting pursuit and we will do this by growing, strengthening and connecting the triathlon community through membership, clubs, programs and major events.

To ensure that the Board has the right balance of skills to effectively lead the organisation into the future, TWA is seeking nominations from individuals with a range of qualifications, skills and experience, as outlined in the attached position description. It is also desirable for the Board to encompass diversity in aspects such as gender, age, background and perspective. This supports best practice as outlined in the Australia Sports Commission's Sport Governance Principles.

The sport of triathlon in Western Australia continues to be enjoyed by all genders. With this in mind, Triathlon WA is seeking a Board that well represents the triathlon community. The Department of Local Government, Sport and Cultural Industries (DLGSC) continues to support State Sporting Associations to achieve and benefit from gender-balanced leadership. There is compelling research that links gender-balanced Boards with organisational benefits including productivity, engagement, innovation and performance. The DLGSC Women in Leadership Targets require boards to have 50% women on their board. For boards with an uneven number of Board members, the final position can be male or female. The target is required to be maintained as part of good governance practices by the board. Triathlon WA therefore encourages nominations from women and will have regard to these targets in any advice regarding suitability for election and appointment of Directors.

People from a diverse range of experience and backgrounds are encouraged to nominate. This may include, but is not limited to the following considerations:

- people identifying as Aboriginal or Torres Strait Islander;
- persons with a disability that is ongoing;
- people from other culturally and linguistically diverse backgrounds;
- people from the LGBTQI+ community; and/or,
- currently living in a regional location in WA.
